

Alison Levine's 7 Keys

to Success for Fresh Perspective Attendees

1.

Remember that fear is okay,
but complacency puts you at risk.

2.

Always have the "whatever it takes" attitude.

3.

Expect a changing environment.

4.

Build the right partnerships.

5.

Keep your focus –
even through the storms.

6.

Always use good judgment and think about how your
actions will affect others.
